

Live Event Production Services

LIVE WEBCASTS

Broadcast your event LIVE on the internet. Link to your YouTube channel or Facebook page. Live chat and Twitter feed. Send your event around your neighborhood or around the world...

VIDEO RECORDING

Live switched or pre-recorded to edit later. Single or multiple cameras. High quality HD or 4K digital formats. Static shots or camera operators. Jibs and stedicams. GoPro and POV cameras.

AUDIO SYSTEMS

Live sound systems for any size ballroom, theater or outdoor event. Multitrack audio recording for musical performances.

DISPLAY SYSTEMS

Projectors and screens of any size. PowerPoint and computer displays. CD, DVD or HDD playback. Many video and audio playback options to choose from.

- Ballroom Events
- Musical Performances
- Stage Plays
- Awards Ceremonies
- School Events
- Fashion Shows
- Charity Events
- Seminars
- Conferences

With over 25 years of experience behind us, Videomax has the equipment, crew and resources to make your event a success. We offer audio and video production services at affordable prices. Whether you just need a PA sound system or full blown video coverage, we got you covered. Videomax can consult with and advise you on how to effectively cover your event. Sound reinforcement and custom lighting is also available. Let us help you plan your next event...
